& Indoor Spaces only

ABOUT E3 SOFFIT PANELS

E3 Soffit Kyro Panels are tailored to meet the evolving expectations of architects, interior designers, and space planners. They are lightweight, available in matte finish, and in upto 16 shades & colours. They deliver high-performance solutions for both residential and commercial environments. With their **lightweight build** and **innovative interlocking design**, installation becomes remarkably quick and effortless. Designed to endure, E3 panels are **100% waterproof, termite and borer-proof**, and **antibacterial**, offering long-term protection against environmental and biological damage.

What sets E3 Soffit Panels apart is their **fire retardant** nature, **impact resistance**, and **easy-to-clean surface**. They are best suited for high-traffic and sensitive areas like kitchens, hallways, and public buildings. These panels are also **lead-free** and **recyclable**, contributing to a greener, healthier living environment while aligning with sustainable building practices. With a robust **15-year warranty**, E3 guarantees durability, safety, and aesthetic excellence in one solution.

E3 Soffit Panels — Built to Protect. Designed to Impress.
